

**Dear Parents/Carers with children in our Early Years Unit.**

As the prices of coaches continue to rise, we have decided that instead of taking our children out on an end of year visit, we will bring some exciting visitors into school instead. During the Summer term, we are able to offer TWO fantastic events to our Early Years children for a lower cost than one visit out. The two companies are both local to Rochdale.

On Monday 3<sup>rd</sup> July, we will be having the fantastic M6 Theatre Company visiting to perform 'One Little Word'. We have seen this performance in previous years and the audience have always been captivated! It also leads to lots of super follow up work in class.

On Wednesday 12<sup>th</sup> July, Skylight Circus Arts will be putting on a performance, demonstrating some of their circus skills, followed by a workshop for the children which promises to be lots of fun.

Both visits will run throughout the day, ensuring both morning and afternoon Nursery children can be fully involved.

We are asking for a contribution of £7.50 per child to cover BOTH visits. We are really keen for our visits to go ahead as we feel our children would benefit greatly from both of the experiences. We do have to inform you that the visits will only be able to go ahead if the full costs are covered. Unfortunately if we do not receive payments then the visits would have to be cancelled. We are hoping by sending out this information nice and early it gives people plenty of notice. Please fill in the reply slip and return to school ASAP and make your payment on Wisepay by Monday 26<sup>th</sup> June.

If you have any further questions, please feel free to contact me.

Many Thanks,

Miss Copeland.
